

6148

Fixed English Display Keypad

Compact and cost-effective, Honeywell's 6148 Fixed-English keypad features an easy-to-read, fixed-English LCD that makes operation simple, as well as a stylish, contemporary

design that seamlessly blends with the rest of the product line.—giving both end-users and dealers more options when cost is a concern.

FEATURES

- Fixed-English LCD displays system status at a glance, making operation easier than ever
- Compact and easy to install
- Soft-touch rubber keys are continuously backlit for greater visibility
- Piezoelectric sounder with audible beeps to indicate system status and entry/exit delay
- System functions clearly labeled on telephone style keypad
- Three separate dual buttons can be programmed to contact fire, police or emergency response personnel with a single touch.
- System functions can be easily performed using a “security code + command” entry
- Stylish white keypad with removable door blends with any décor
- Contoured, removable door lets you customize keypad for the look you want
